All bus routes will be posted at Bridgeport High School, Martin G. Atkins School, and Thomas White Elementary School after Tuesday, August 24, 2010. These times are estimated; please have your student ready early.

The Transportation Department will provide each student with one address where they will be picked up and one address where they will be dropped off.

Each student will be assigned to a specific bus and the scheduled stop will be the same address every day. Daily changes in the pick up and take home address will not be permitted. There will be no bus passes issued. If an emergency arises, please give me a call and we will work with you.

Bus assignments letters are being mailed to parents/guardians of the students. If there are changes that need to be made, please contact the Transportation Department at 777-4280 prior to the start of school on September 7, 2010.

Jeff Ladd
 Transportation Supervisor
